Dear Ms. Dillenseger:

I intended to ask you in my earlier letter if you were aware that Richard Lewis's petition to be placed on the ballot as an independent candidate for U.S. Congress in 1994 was circulated at the Evangel Christian Life Church on a Sunday just before the petition was filed. I have no written proof of this, but it was widely discussed that Frank Simon was responsible for this taking place. Richard Lewis was not known to be an active member or an outspoken advocate for the issues identified with Frank Simon, but was vulnerable because he was so desperate for support and acceptance. I don't know if this can be proven but it would be worth looking into if a relationship between church and political activity is being investigated.

Sincerely,

Susan B. Stokes
